

## Official Communication

Item: 22

### Notice to competitors 22

#### Mandatory measurement check of the competitors of the medal races

##### Summary:

Boats shall be available for a measurement check prior to competing in the medal races

##### Details:

All boats competing in the medal races shall be available for a measurement check one hour prior to their warning signal.

At the launching area's (beach as well as at slipway) a designated measurement check area will be established.

In this area the boats shall be available from 60 minutes prior to their warning signal until 45 minutes prior to their warning signal.
